The image shows a piece of aged, cream-colored paper with two red wax seals. The seal at the top is partially broken and shows some internal structure. The seal at the bottom is also partially broken and shows a similar internal structure. A large, irregular blue wax seal is visible on the right side of the paper, partially overlapping the bottom red seal. The date 'APR 27 2017' is stamped in red ink in the center of the paper.
